## **GREETINGS FROM THE TAMIL NADU Dr. AMBEDKAR LAW UNIVERSITY**

### **FROM THE VICE-CHANCELLOR'S DESK**

**"IF WISDOM IS VIRTUE, LEGAL WISDOM IS THE PINNACLE OF VIRTUE"**

Wisdom and development are positively correlated. A nation's development rests on the collective wisdom of its people. Wisdom in action is the mechanism of development. Wisdom is the selfless and objective application of knowledge and skill for the betterment of the society.

India has a glorious past. In the first millennium, its GDP was half of the global GDP, and in the first half of the second millennium it had around 30% of the global GDP. It was mainly due to the common wisdom evinced by the people of India. Wisdom began to decline and vanish from the people. Consequently, the GDP of India nose-dived to the lowest level of one percent at the dawn of Indian independence. Today, India is the youngest country in the world. Half of its population are youth. They have the global exposure and are endowed with potential energy and attitude to realise the relevance of wisdom.

It is wisdom of our freedom fighters that liberated the country from the yoke of the British. Once political freedom is achieved by a nation, for the success and sustenance of political democracy leaders, lawyers and Judges have to work prudentially.

Law is wisdom crystalised. It is vibrant and versatile. When the Democratic Republic of India is on the cross roads of development, leaders and legal professionals have to lead the nation to the desired destination.

Law Schools and Law Universities are the nurseries of legal professionals and judges. These Law Schools have to nurture the students not only with knowledge, but also with skills and values. In the Information Technology wired world facts and figures are available everywhere. Law schools have to educate the students and mould empower them with skills. Law Teachers have to inculcate values so as to mould Lawyers as persons with wisdom.

The School of Excellence in Law (SOEL) offers different Under Graduation, Post Graduation and Doctoral Courses to cater the diverse needs of development. Under CBCS it offers an opportunity to its graduate students to pursue one semester course from a foreign country. Law emanates from the society in order to regulate it. Hence, **B.A.LL.B. (Hons.)** Course is offered. Law regulates the governance including business governance. Hence, **B.B.A.LL.B. (Hons.)** Course is offered. Law in the LPG world does not come only from the sovereign, but also from the agencies of UNO like WTO. Hence, **B.Com.LL.B. (Hons.)** Course is offered. Lawyers and Legal professionals without Computer knowledge are deemed as computer illiterates. Hence, **B.C.A.LL.B. (Hons.)** Course is offered.

Legal Education is considered as the mechanism to transform the knowledge acquired by different graduates into wisdom. Hence, 3 year **LL.B. (Hons.)** Course is offered. Advocates are aptly called as learned advocates, since they update their legal knowledge constantly. The SOEL offers LL.M. Degrees in nine different branches so that advocates can update their knowledge in the new emerging legal fields. SOEL offers a conducive atmosphere for research and presently more than hundred scholars are pursuing Ph.D. in Law and in Inter-disciplinary subjects

In India, there are innumerable institutions that offer law degrees to the aspirants. There are only a few legal educational institutions that educate the students with legal knowledge and empower them with skills. There are very few law schools that devote themselves like the gurukulas and attempt to transform the wisdom of the gurus to the young graduates. Google is not a substitute for the gurus here. The School of Excellence in law intends to be one such modern law gurukulam which considers wisdom as the ultimate virtue and visualizes an inclusive development for all.

The first objective of our Constitution is to secure its citizens social justice. Tamil Nadu is deemed to be the glorious land of social justice. Being a State University, the soul of SOEL is in rendering social justice. I welcome whole-heartedly the candidates who aspire to join SOEL and contribute their mite to spread the name and fame of SOEL worldwide.

Wish you all good luck.
