#### **Criteria for Assessment of Merit**

Admission to the 5 year B.A.LL.B.[Hons.], B.Com.LL.B.[Hons.], B.B.A.LL.B.[Hons.] and B.C.A.LL.B.[Hons.] Degree Courses are made on the basis of merit assessed on the following criteria, as per the G.O.Ms.No.83 LAW (LS) DEPARTMENT dt.19.04.2007.

The marks obtained by the students in the Plus Two examinations in the first attempt alone may be taken into account and the marks obtained by them in the improvement examinations should not be taken into account".

## NORMALISATION PROCESS

Since, the marks obtained by the candidates in the qualifying examination excluding languages being taken into account and since the qualifying examinations are being conducted by various Boards or Authority, the marks obtained by the candidates of various Boards or Authority shall be equated by the marks obtained by the candidates in the same subjects in the qualifying examination conducted by the State Board by adopting the method of normalization. In this process the highest mark obtained by the students of various Boards in each subject shall be equated to the highest marks obtained by the students of State Board in that subject and the relative marks obtained by other students in the subject shall be determined accordingly.

**Illustration:** If the highest marks secured by the student of State Board in Physics is 100 and the highest mark secured by a student of any other Board in the same subject is 90, both the highest marks will be considered to be equal to 100. If a student of the other Board secures 60 marks in Physics when the first mark in Physics in the same Board is 90, the 60 marks will be considered to be equal to 66.66 marks as arrived at below:

$$\left\{ \frac{100 \times 60}{90} = 66.66\% \right\}$$

**Tie:** In the event of a "tie" in regard to the marks obtained by the students for admission to the law courses, the following order of priority may be followed to determine the rank of the candidates -

- (a) Date of Birth (Elder to be given preference)
