The Tamil Nadu Dr. Ambedkar Law University (TNDALU), Chennai

The Government of Tamil Nadu by Act of State Legislature (Act 43 of 1997) established the Tamil Nadu Dr. Ambedkar Law University for the advancement and dissemination of knowledge in learning, teaching and research in the field of law. The University is recognized by the Bar Council of India (BCI) and University Grants Commission (UGC) (Sec. 2f and 12b of the UGC Act.). This University is an affiliating University with 14 Government law colleges and 2 private law colleges in the State of Tamil Nadu.

The School of Excellence in Law (SOEL) is situated at M.G.R. Salai, Near Taramani [MRTS] Railway Station, Perungudi, Chennai. Under the broad canopy of SOEL, the Law University is offering Five Years integrated B.A. LL.B (Hon's), B.Com. LL.B. (Hon's), B.B.A LL.B. (Hon's), B.C.A. LL.B. (Hon's), and Three Years LL.B. (Hon's) as part of its Under Graduate Courses and LL.M., Degrees in Nine branches as part of its Post Graduate Courses. The Research wing is offering Ph.D. in Law and Inter – Disciplinary studies both Full-time and Part-time. At present, there are 10 departments in SOEL with well qualified and experienced faculty members catering to the academic needs of the students pursuing different courses that are offered. The University is striving to offer quality legal education under the stewardship of the Hon'ble Vice-Chancellor, Prof. Dr. N.S. Santhosh Kumar.

Dr. M.G.R. Janaki College of Arts and Science for Women, Chennai

Dr.MGR-Janaki College was founded by Dr.Latha Rajendran in the year 1996 as a tribute to Late Bharat Ratna Dr. M.G. Ramachandran, former Chief Minister of Tamil Nadu and his wife Mrs.Janaki Ramachandran. Under the dedicated leadership of our Founder, the college grew from its humble beginnings to become a premier institution producing rank holders in multiple disciplines. Due to the able guidance of illustrious personalities like Late Mr.N.P.V.Ramasamy Udayar, Late Dr.N.C. Raghavachari, Late Dr.Jeppiaar, the college has had a qualitative and quantitative progress. The college is managed by SSPL Charities. The College was founded with 70 students and 16 Faculty Members and has grown rapidly to its present status. More than 4000 students are enrolled in 14 undergraduate programmes and 5 post graduate programmes and a unique five year integrated programme M.A. Natya (a combination of dance, music, theatre, history and philosophy) the only one of its kind in Tamilnadu. Around 160 faculty members across different disciplines work with the goal of nurturing holistic citizens for tomorrow. The institution has been able to secure top university ranks every year in various disciplines. With 'Excellence through Diligence' as the motto, the college has been recording cent percent placement in the last two years.

National Institute of Disaster Management. (NIDM), New Delhi

The National Institute of Disaster Management (NIDM) was constituted under an Act of Parliament with a vision to play the role of a premier institute for capacity development in India and the region. The efforts in this direction that began with the formation of the National Centre for Disaster Management (NCDM) in 1995 gained impetus with its redesignation as the National Institute of Disaster Management (NIDM) for training and capacity development. Under the Disaster Management Act 2005, NIDM has been assigned nodal responsibilities for human resource development, capacity building, training, research, documentation and policy advocacy in the field of disaster management.

Both as a national Centre and as a national Institute, NIDM is performing a crucial role in bringing disaster risk reduction to the forefront of the national agenda. The Institute believes that disaster risk reduction is possible only through promotion of a "Culture of Prevention" involving all stakeholders. The Institute works through strategic partnerships with various ministries and departments of the central, state and local governments, academic, research and technical organizations in India and abroad and other bi-lateral and multi-lateral international agencies.

Aim of the Training Programme

The role of digital technology and information technology in dealing with hazards and disasters both manmade and natural will be discussed in this three day training programme. The question ask to whether mankind is able to effectively handled disasters and pandemic with the help of the technological advancement will be debated analogies by resource persons expert in different fields and assessment of the pandemics impact is also taken of the discussion. Solutions to varied issues that crop up during pandemic and disasters will be given as suggestions. The entire vaccination process in our vast country was them due to digitalization there is a difference between pre pandemic & post pandemic scenarios in India.

Before the pandemic digital technology was limited to certain areas like political campaign, polio drops campaign etc. during the pandemic with lock down in force digital technology was used extensively as it was only choice to get work done. Now that we are slowly opening up, India's tryst with digitalization has not waned and it continues to dominate our lives. It has both good and bad implications for developing national like India. The responsibility is on us to enjoy the benefit of digitalization to the maximum while, ensuring there its ill effects are shunned.
