3.3 Ability Enhance Courses

Ability Enhancement Compulsory Courses are the courses based upon the content that leads to Knowledge enhancement. These are mandatory for all disciplines. Courses are value-based and/or skill-based and are aimed at providing hands-on-training, competencies, skills, etc. Ability Enhancement Courses may be of two kinds:

- 1 Ability Enhancement Paper – I (Compulsory Courses): Applied Research Methodology
- 2 Ability Enhancement Paper – II (Compulsory Courses) To enhance teaching and Research skills.

3.4 Soft Core Courses - I (Department Elective Papers)

Courses offered by the main discipline/subject of study is referred to as Department Elective papers. (Elective Offered within the Department)

3.5 Soft Core Courses – II (Elective Papers from Other Departments)

An elective course chosen generally from an unrelated discipline/subject, with an intention to seek exposure. (Elective Offered by other Departments)

3.6 Dissertation/Project:

A dissertation/project is designed to acquire special/advanced research knowledge, and candidates undertake to do original research with an advisory support by a teacher/faculty member.

- Introducing Research Component in Post Graduate Courses Project work / Dissertation is considered as a special course involving application of knowledge in solving / analyzing exploring a real-life/social situation / researchable problem. A Project/Dissertation work would be of 6 credits. A Project / Dissertation work shall be given in the specific discipline of the concerned department.
