

DEPARTMENT OF MARITIME LAW

VISION

To create, develop and enhance a quality academic environment that delivers an enriching experience to the students of law through the process of learning, unlearning and re-learning the maritime laws, whilst preparing them for the promising careers in this field.

MISSION

- ❖ To educate young law graduates in maritime laws which allow them to critically evaluate the laws and legal systems pertaining to the seas of world from a Juristic perspective.
- ❖ To provide expertise in areas arising out of international disputes under maritime and allied laws and to prepare the students for marine lawyering.
- ❖ To render opportunities to lawyers to learn and analyze the theoretical and practical aspects of maritime laws.
- ❖ To equip students with comprehensive and interdisciplinary approaches towards emerging challenges in the field and related laws and to facilitate in expanding their research acumen.

Special lecture (Online)

Topic - "Ocean Economy, Governance and Fisheries Law in India"

Date – 26/10/2022

Resource Person – Mr. J. Jones Thomas Spartegus, Doctoral Scholar, Tata Institute of Social Sciences.

The screenshot shows a Google Meet interface. The main window displays a presentation slide titled "OCEAN ECONOMY - BLUE ECONOMY". The slide features a central diagram with four colored circles: an orange circle labeled "Land", a green circle labeled "Forest", a blue circle labeled "Tidal Influenced Water", and a light blue circle labeled "Marine Waters". These circles are arranged around a central text block that reads "Ocean People" and "People of Neythal". Below the circles is the text "NATURAL RESOURCES". An arrow labeled "ECOLOGY" points from the "Land" circle towards the "Forest" circle. The words "REGULATE" and "MANAGE" are written vertically in red on the left and right sides of the diagram, respectively. The presentation is being shown by "Jones Spartegus". To the right of the slide is a grid of nine participant video thumbnails. The participants are: Jones Spartegus, Vidhyavathy N, Gokul M.A., Maria Jalal, Moshitha S, RubaSri Venkata..., Adv Sahanaa Tha..., 6 others, and You. The bottom of the screen shows the Windows taskbar with the time 2:08 PM, the temperature 33°C, and the date 26-10-2022.
