Remedial Classes:

Introduction:

The University Grants Commission suggests Universities and colleges to have a bridge course to help student's transition from school education to higher education system smoothly. In Tamil Nadu, 69% reservation policy is there for admissions as a social welfare uplifting measure. We in our University have students hailing from different walks of life. Most of the students from rural areas and semi-urban areas are psychologically affected when some of their classmates from urban areas speak good English.

In School of Excellence in Law, the medium of instruction is English. Back home in their schools, their instruction including for English was mostly bilingual. The comfort of listening and learning is almost gone, since all subjects are taught through English medium.

To allay their just fears and also to help such students cope up, the School Of Excellence in Law commenced remedial classes. It was first started by our Vice-Chancellor Prof. P. Vanangamudi, in the academic year 2014-2015 to act as a bridge course for the young students entering the legal profession. The students benefitted from such classes and as teachers we could see their confidence levels improving after these classes. On 6th September 2016, the inaugural programme of the 5 weeks long Remedial Class was inaugurated by our Hon'ble Vice-Chancellor, Prof. (Dr) P. Vanangamudi, when, he emphasized the importance of studying law to understand the society. Prof. Dr.S.Narayanaperumal, Director i/c., U.G.Courses delivered the welcome address and Prof. Dr.K.S.Sarwani, the Co-Ordinator of the Remedial Programme proposed the vote of thanks.

I thank all the faculty members who readily agreed to take classes and reach out to students. I also thank the Co-Coordiators for their ground work. I thank the students for reposing faith in us and the system and taking part in this programme earnestly. I whole heartedly thank the Hon'ble Vice Chancellor and the director of U.G. Courses for their support and encouragement.
