POLICY DOCUMENT ON E-GOVERNANCE

The Tamil Nadu Dr. Ambedkar Law University is striving towards its vision for perfection of the class institution for being a preferred partner to the industry and community. It is a point of reference as well as a trend setter that committed to implement in its E-governance in its administration by:

- Amalgamating the activities of the various sections which are currently having computerized database management and documentation.
- Implementation process of optimization that rejects the concepts of red tapism, redundancy and avoids loss of time and energy leading to increased productivity.
- Scheming implementation completely automated with administrative work flow processes that enhance effective data storage and retrieval of information as per hierarchal permissions.
- Easy ways of understanding in E-mode communication has to be provided in among all the departments / sections of the University viz. Administration, Academics, Examinations, Finance & Accounts, Admissions, etc. and ultimately moving towards paperless office.
- Broadening and widening the Internal Quality Assurance Cell (IQAC) to create a centralized data management system for supporting the Accreditation of NAAC and so on.
