Prof. (Dr) N. S. Santhosh Kumar  
Hon'ble Vice Chancellor,  
The Tamil Nadu Dr. Ambedkar Law University

It is a matter of great pleasure that the Tamil Nadu Dr. Ambedkar Law University is publishing a "Report on Sports & Games Activities, Conduct of Sports Events & Achievements: 2007 - 2021". The Report will exhibit the annual summary on various sports and games activities held, Intramural SOEL Sports Meet, Inter-collegiate Sports Meet, University Selection trials conducted, coaching sessions held and participation of TNDALU and SOEL teams in South Zone & All India University Tournaments, National level Law Schools Tournament at NLSIU, Bangalore, NUJS-Kolkata and Symbiosis Pune. It is commendable that Dr.K. Paramasivam, Assistant Director of Physical Education, TNDALU has coordinated with the Physical Directors of affiliated law colleges, other institutions at state and national level and with great efforts has organized various tournaments in a successful manner.

The Tamil Nadu Dr. Ambedkar Law University is a prestigious State University having 3800 Law students in its undergraduate and postgraduate programmes. In addition to this, more than 300 research scholars are pursuing their research in Law and Inter disciplinary. Our students are not only excelling in academic but also in sports activities. The Physical Education & Sports Department is plays a vital role in keeping the law students physically efficient, mentally alert, morally sound and socially well behaved through the conduct of yoga, physical fitness camps, coaching camps, summer vacation camps, long term training camps, etc. The University provides sufficient games and sports materials to the students as well as University level teams.

The university engages part-time Coaches at state level to help the players and teams to become more efficient by discovering their potential and improving their sport performance through training and coaching techniques in volley ball, football, cricket etc.

The Tamil Nadu Dr. Ambedkar Law University has been conducting SOEL Intramural Sports Meet, Inter-collegiate Sports meet at State Level with participation of teams from SOEL and 14 affiliated law colleges throughout Tamil Nadu. The

University team selected by selection trials has been representing in Inter University Tournaments at South Zone and National level. The TNDALU Sports Department recognizes the merit of the players of the university team by issuing them “Form III” Certificates.

It is to be highlighted that apart from the sports and games activities, the sports volunteers of School of Excellence in Law engage themselves regularly in serving the social needs of the society, such as flood relief operations, traffic assistance, blood donation, legal aid, creation of awareness among public etc.

I am happy to appreciate the efforts taken by the Sports Department to excel in the field by inculcating social and moral values in the students and also for compiling the Report on Sports & Games Activities, Conduct of Sports Events & Achievements from the year 2007 to 2021.

I wish the Sports Department and players a great success to continue in the future with a greater zeal.

It is a matter of great pleasure that Tamil Nadu Dr. Ambedkar Law University is publishing its Performance report of Sports and Games for the Years 2007 to 2020 highlighting the Intramural SOEL Sports Meet, Intercollegiate sports meet, University Selection trials and Participation of TNDALU University team in South Zone/All India University Tournaments, National level Law Schools Tournament at NLSIU, Bangalore, NUJS-Kolkata and Symbiosis-Pune. All these events were possible with the efforts of Dr.K.Paramasivam, Assistant Director of Physical Education, under whose Coordination along with that of the Physical Directors of Affiliated Law Colleges of the University in the State of Tamil Nadu.

The Tamil Nadu Dr. Ambedkar Law University is the First Affiliating State University in the country situated in Chennai having 3500 Law students in UG and PG Courses and around 25,000 students in its affiliated Law Colleges. In addition to this, more than 300 research Scholars are pursuing research in various specializations in Law in the Nine Post Graduate Departments and in Inter disciplinary departments. The students with the support and encouragement of the administration are not only excelling in Academic activities but also in Sports and games as well.

The Physical Education & Sports Department is the backbone in rendering training to the students of the Campus and that of the Affiliated Colleges in sports and games and life saving skills such Psychological training, Yoga, Physical fitness etc. Apart from the above, the Physical Education Director regularly organizes Coaching camps, Summer Vocational camps, Long term Training camps, etc.

The Sports volunteers of SOEL are regularly contributing to the social needs of the society, such as Flood relief operations, Traffic assistance, and Regular Blood Donations. During my Tenure March 2018- April 2021 as VC, the Students of

the Campus and the Affiliated Colleges won a number of competitions and stood first in the National amongst the Law Universities. All these are possible because of the relentless hard work of Dr Paramasivam, Assistant Director of Physical Education and his team. I wish the same spirit is continued in future to win more number of competitions to bring laurels to the University.

I wish Dr Paramasivam and his team of Sports Directors of the Affiliated Colleges and the future competitors to succeed in their activities.

The Tamil Nadu Dr. Ambedkar Law University**

It is a matter of great pleasure that Tamil Nadu Dr. Ambedkar Law University is publishing Annual Performance reports for the years 2007-2010, of Intramural SOEL Sports Meet, Intercollegiate sports meet, University Selection trials and Participation of TNDALU University team in South Zone/All India University Tournaments, National level Law Schools Tournament at NLSIU, Bangalore, NUJS-Kolkata and Symbiosis-Pune.

With the great efforts of Dr.K.Paramasivam, Assistant Director of Physical Education, who organized and coordinated with other, Physical Directors of Affiliated Law colleges the university successfully conducted all the Tournaments.n

I am happy that the Tamil Nadu Dr. Ambedkar Law University has become a prestigious State University having 3500 Law students in UG and PG Courses. In addition to this, more than 300 research Scholars are researching in Law and Inter disciplinary departments.Students are not only excelling in Academic activities but also in Sports activities in the spacious new campus TARAMANI . The Physical Education & Sports Department is strengthening the Law Students physically and mentally by conducting Yoga, Physical fitness camps, Coaching camps, Summer Vocational camps, Long term Training camps, etc. For the benefit of sports persons the TNDALU is engaging part time State level coaches for various games such as Volley ball, Football, Cricket. I am further glad that the Sports volunteers of SOEL are regularly contributing to the social needs of the society, such as Flood relief operations, Traffic assistance, and Regular Blood Donations.

I also take this opportunity to inform that the FIRST INTER LAW Sports meet of the university was conducted in 2000 in TIRUCHIRAPPALLI at the initiative of the First Vice Chancellor Dr. P. Nagabhushnam. This was entrusted to me. With the cooperation of all the Principals and all the Physical Directors, the event was successfully conducted with the Union Minister Hon'ble Thiru A.Raja as the Chief Guest (Copies of photos enclosed). It was felt at that time, the need for a new Campus not only for larger academic activities of the University but also for sports activities with a physical director of its own

When I became the Vice Chancellor(2007- 2010) I first realized the space constraint in the Greenways Road campus Therefore I have successfully initiated and got 15 acres of land in TARAMANI from the Government I have also taken the initiative of filling up the post of Assistant Director of Physical Education Dr K.Paramasivam was appointed after due selection/ expert committee and he has proved his worthiness in the field of Sports activities of the University His services are Commendable

Finally I have to appreciate the efforts taken by Sports Department who have compiled the various sports meets and Tournaments for a longer period of 14 years from 2007 to 2010 including the First Inter Law Sports Meet held in the en by Sports Department who complied the various sports meets and Tournaments for a longer period of 14 years from 2007 to 2020.

## **About the Assistant Director of Physical Education (SS)**

**I am Dr.K.PARAMASIVAM, Assistant Director of Physical Education & Sports (SS)**, currently working in The Tamil Nadu Dr.Ambedkar Law University, Chennai. I have been working here for the past fourteen years experience in the field of Physical Education and Sports.I have completed Ph.D., and M.P.E.S.,M.Phil., B.P.E.S., from Annamalai University, Tamil Nadu, India. I also published a book and 6 Articles. I organized International Conference, Workshop and so on. I have presented and attended so many seminars. I have Representation in All India Inter-University, South Zone Inter-University Tournaments, and Tamil Nadu State Level Tournaments. I also served in various committees such as Deputy warden, Public Relation Officer, Law Admission, Sports Selection Committee member, Vice-President in Hockey Unit at Cuddalore District, Active member PEFI, Life Member IFPEFSSA, and Honorary Life Patron Agaram Gurukulam Sports Academy.

1. Represented Annamalai University in South Zone Inter University Hockey Tournament held at Bangalore University, Karnataka in November, 1997.
2. Represented Annamalai University in South Zone Inter University Hockey Tournament held at Sri Venkateswara University, Tirupathi in January, 1999.
3. Represented Annamalai University in South Zone Inter University Hockey Tournament held at Annamalai University in December, 1999 (South Zone Winner).
4. Represented Annamalai University in All India Inter University Hockey Tournament held at Agriculture University Ludhiana, Punjab in January, 2000.
5. Represented Annamalai University in Tamil Nadu and Pondicherry State Inter Physical Education Sports Meet 1995 to 2000 Hockey Tournament (Winner Two times & Runner Three times).
6. Represented Annamalai University in State Level Inter-Collegiate Hockey Tournament held at St. Xavier's College, Palayamkottai-1999 (Runner).
7. Represented National Level Hockey Tournament held at Secunderabad (A.P.) -1999.

After my joining in this institution, I have taken efforts to introducing the unique system being followed in the Anna University and University of Madras in conducting the Inter-Law Collegiate tournaments. In the Inter-Law collegiate competitions, students from the School of Excellence in Law and 15 nos. of affiliated Law Colleges throughout the State of Tamil Nadu are participating. I would like to highlight that most of the tournaments are won by the students representing the School of Excellence in Law.

I have conducted different matches on various dates in different places to avoid conflicts among the students of our institution and the affiliated law colleges, which helped in organizing the tournaments in a smooth manner.

I have taken efforts to establishing an organization called NSO for train the students of the Tamil Nadu Dr. Ambedkar Law University in Football, Volleyball, Cricket, Hockey and Ball Badminton, three days a Week.

On behalf of the Tamil Nadu Dr. Ambedkar Law University, I have been taking all the efforts and coordinating in conducting the Inter-law Collegiate sports competitions to select the best Sports Persons from various law colleges. The selected sports persons are being trained by the NSO in the campus of the Tamil Nadu Dr. Ambedkar Law University and are being sent to participate in the South Zone Inter-University and All India University Level Competitions.

It gives me an immense pleasure to point out that in the years 2009, 2012, 2015 and 2019, the team which I have selected and trained to represent the School of Excellence in Law and have won All India Inter Law Collegiate overall Championships at NLSIU, Bangalore and NUJS, Kolkata and brought laurels to the Tamil Nadu Dr. Ambedkar Law University.

I also submit that at the time of my joining in this institution, no facilities were available for the students to engage in sports activities. Only after my joining in the University, I have taken umpteen efforts for establishing various amenities for outdoor games viz., separate play grounds for football, volleyball, cricket ball, badminton, kho-kho, kabadi and table tennis. In addition, I have made efforts in developing the sports activities of the students through indoor games by establishing a "Fitness Centre (GYM)" within the campus of the Tamil Nadu Dr. Ambedkar Law University.

From the year 2007, with no additional staff in the field of physical education, I was handling alone with the developing the Sports activities, organizing the Sports Meet, coordinating and organizing the Inter-law collegiate sports meet, conducting the University Selection trials, process of selecting the University team, every year and accompanying the team to participate in the tournaments at various places all over the State and throughout India. Also I have contributed in maintaining the discipline among the students within the campus of the School of Excellence in Law throughout the day. I have also rendered as Estate Officer in-charge to supervise the maintenance the campus of our University. In addition, I have been contributing myself as a Deputy Warden of the Boy Students' Hostel. I have been allotted with

the major responsibility of maintenance of discipline among the hostel wards, which I have successfully rendered to by my best knowledge.

I would also like to submit that efforts were taken by me to introducing the conduct of INTRAMURAL Sports Meet for the students of School of Excellence in Law. Teams are being selected from INTRAMURAL Sports Meet to represent the School of Excellence in Law in various Tournaments organized by The West Bengal National University of Juridical Sciences, Kolkata, National Law School of India University, Bangalore, NALSAR Hyderabad, Symbiosis Pune, National Law School, Jhodpur etc..

Finally I conclude that the efforts and ebullient spirits have taken in the sports academic activities and other activities which is related to the University and outside of the university and other events what I have done from the year of 2007 to 2020 by myself is well schemed in my profile. Moreover, I will draft and manuscript of all the achievements and accomplishments in my book. This book definitely helps to all the university students as well as the sports world.

This court considers the said decision as administrative decision and cannot interfere unless there is arbitrariness or illegality involved. The relevant orders of the central government as well as the state government do not run contrary to the express provisions of law, the bench observed, and added that the writ petition is misconceived and lacks merit and substance.

The issue pertains to the PIL moved by S Kumarvelu, who claimed use of the title 'Prince of Arcot' is continued despite abolition of recognition granted under Article 363A of the Constitution.

Real's play was deflected by Hernandez in Barcelona on the break sealed the win.

Real's vintage performance as Real took the lead in the 29th minute. The poor finish in the first half was a disappointment for Real's Cristiano Ronaldo, who made the most of his chances.

Real's victory was a relief for us to create the summer atmosphere in the derby. We lacked rhythm which we began to play," said Guardiola.

Real was going to win although it was a bit of a fluke which we were fortunate to have.

# GEARING UP FOR THE OLYMPIC CARNIVAL

BALAJEE C R

DECCAN CHRONICLE

DC conducts a roundup of opinions and expectations from sportspersons belonging to various colleges in the city, ahead of the Rio games

Olympics fever has hit colleges in the city! With just two days to go for one of the biggest multi-sport tournaments in the world, prominent sportspersons from colleges in the city are particularly excited about witnessing their idols in action.

DC got in touch with a few students to know what the Olympics mean to them, how such tournaments would inspire them to take up sports as a profession, and what they expect from the Indian contingent this time.

"I am literally counting every second and anticipating the start of the 2016 Olympics! I am as excited as any other sports enthusiast or even a participant of the Olympic event," says K.V. Vijai Pranav, a basketball player from School of Excellence in Law (SOEL). Pranav, who was one among the 32 Indian players picked for ACG-NBA Jump Final, opines, "This is the pinnacle to reach to showcase one's talent and love for the sport, in addition to the privilege of representing one's own country."

With the ambition of playing in the NBA in USA, this Bachelor of Law student is pretty optimistic that Indian basketball will soon become a force to reckon with, despite the sport not getting qualified to be part of the tournament this year. "Undoubtedly, it's at a nascent stage in India, when compared to countries like the US, France, or Spain. However, with growing talent, competitiveness,

Sherrington

and the entry of the NBA, I am sure that brighter times lie ahead of us!" he assures.

Meanwhile,

A d i t i

Subramanian, a

rower from Anna

University, is expecting

India to put up a good show in

rowing this year. "The Indian

front will be represented by Dattu

time."

Aditi, who hopes

to represent India at

the Olympics in the

future, also states that

rowing is a sport for which one

needn't sacrifice their profession

or education —

— Vijai Pranav

ball, Abhishek Thilak from LICET feels that Indian football is underrated —

"There are many skilled footballers in the country and with tournaments like ISL, we can really grow. I miss seeing

an Indian team at such a global competition."

Abhishek, who is a part of his college football team, feels that the contest will be interesting, despite some top

players opting out of the tournament. "I

was in France during the Euro Cup, and from what I

observed, it's not only big names that lead their

teams to victory," he muses.

from St. Joseph's Institute of Technology, hopes that India would at least win a bronze in

## ANIMATION – Making Tomorrow a Better World

Multimedia is a means of merging various types of Media like sound, animation, video and graphics. Animation and multimedia is a field which requires blend of creativity and hard work in order to establish and progress. The difference is when motion induced into graphics, it becomes animation, while sound induced into this animation, it becomes multimedia.

Animation is a process of creating animated characters or cartoon. In recent days, it is one of the highly paid professions and with its special effects, extraordinary graphics and multi dimensional approaches, animation develops all over the world. Animation or computer graphics is a series of drawings, objects or people in various positions or movements. You can create movements of a human or an animal or any object by using animated graphics. They are used in many different fields such as cartoon character making. Even it is used to prepare advertisements meant to be published over the Internet. Video gaming industry popularly uses the animated images for the purpose of making games. Many markets or entrepreneurs have made their presence across the Internet and carved a niche in online business. For maintaining a presence across the Internet, it is essential to have a website. In order to make a website visually appealing and striking, it is vital to establish the website of a corporation with the best technology or animated images. Entertainment industry has started utilizing this form of graphics, for the purpose of replicating human characters by animated cartoon characters. The result is far more beneficial for a producer as a film producer gets a desirable expression on the face of the cartoon human or animal characters. It also consumes less expenditure, while using animated characters. All these are several fields where you can make use of animation. Therefore, the growth of this field is tremendous.

The Indian Animation Industry - An Overview  
The Animation Industry in India through a few stanzas, is considered as one of the fastest growing segments of the entertainment and media industry. India is emerging as an outsourcing hub for animation and visual effects with large number of international media companies entering into joint ventures with animation studios in India. The Animation Industry in India gained significance as an outsourced destination for animation work due to low cost, skilled labour as its many advantages. In the recent past Indian animation companies and animation studios have been moving up the value chain to create their own intellectual property rights with Animania, Roadside Romeo, etc. and partnering with international studios to produce animated properties for the global audience. Though a majority of the work done by the animation industry in India is outsourced work, this is expected to change in the future with increased demand from the domestic entertainment industry.

The animation industry in India can be divided into the following key segments: Animation education, animation education, custom content development and multimedia/web design and VFX. The animation industry in India was estimated at USD 314 million in 2006,

Mr. B.S. Srinivas, Director - Arena Animation - Malleswaram & Rajajinagar, Bangalore.

Animation is very fast becoming the present buzzword and slated to become the future of the country. Expected to touch 1 billion\$ by 2012, this field is already throwing up lots of career opportunities to today's youth and more and more students are aspiring to become world class animators thereby signalling to the world that India has arrived in the global animation scenario in a big way. As told by Mr. B.S. Srinivas, Director - Arena Animation - Malleswaram & Rajajinagar, Bangalore.

USD 494 million in 2008 and is expected to grow at CAGR of 22 per cent to reach USD 1 billion by 2012. In absolute terms, custom content development and multimedia/web design is the largest segment today, followed by animation entertainment, animation education and VFX, respectively and is expected to remain so in 2012.

The gaming industry can be divided into the following key segments: Online Games (MMORPG and Casual Games), Mobile Games, PC Games and Console Games (Regular and Handheld Devices). The Indian gaming industry was estimated at USD 30 million in 2006, USD 167 million in 2008 and is forecasted to grow at CAGR of 49 percent to reach 830 million by 2012. The overall size of the Indian gaming industry represents revenues from the consumer market, services market and revenues from non-development activities such as services rendered as technical support to international gaming companies. The consumer gaming market was estimated at USD 105 million in 2008 and is expected to grow at a CAGR of 55 percent to reach USD 614 million by 2012. The services market for gaming was estimated at USD 61 million in 2008 and is expected to grow at a CAGR of 28 percent to reach USD 220 million by 2012. In 2009, the console gaming segment is estimated to account for the largest share of the Indian gaming market, followed by mobile gaming, online gaming and PC gaming respectively. In 2012, it is expected to remain the same.

**The Animation Courses - Avenues**  
Animations are used in different avenues of this high-tech generation. Internet, computer/TV, games, mobile televisions are the latest areas where animation plays an important role. With its popularity, more students are being attracted towards animation courses. Ani-

mation courses differ from each other based on their usage. Some courses may be for computer animation, while some for mobile application animation. Whatever be its type, animation professionals are in great demand. An animation course offers you a number of job opportunities in various media industries, including films, internet, and television and out of home media. Animation courses can be specialized in different sub-categories, including creating 3D characters, game development, 3 dimensional animation, digital film making, graphic designing, video editing, web designing with multi media professional tools, printing and publishing. Animation courses can also be doing specializing in modeling and texturing. These courses are vocational short-term courses that students can do after their 12th.

Animation courses are also offered based on their duration. Short-term courses are designed for professionals who have the basic knowledge of the animation concept and want to brush up their skills. These courses generally last for few months and let the students be aware of the latest trends and technologies that are being used generally.

Long-term courses in animation are designed for beginners who want to gain an edge over others in the competitive IT industry. You can select these programs based on the career path you want to take. Generally, a diploma or a degree is offered after the completion of these courses for example diploma in web design, diploma in graphic design and BSc in Multimedia and animation.

For a career in animation, you have plenty of options to select and move in that direction with professional help from the animation institutions. Due to tremendous growth, aspirants can opt this as a career field. There are many animation training programs offering to provide education for the profession as an animator. A

person requires thorough knowledge about graphics and several kinds of software used for creating cartoon characters. Technical knowledge blended with natural abilities or creative talent produce fruitful results. These programs provide flair of computer skills. They also sharpen your ability to imagine, create and design the images matching well with the theme. You should seek for a certified course. Nourish your artistic ability by pursuing certified courses in this field to explore your benefits.

### The Animation Institutions - Right Path

There are more schools, colleges and institutions that are providing the services for affordable cost. But choosing the best, one among them lies in the hands of the student. Various factors have to be considered before choosing a right institution. Detailed knowledge of the institution, animation or multimedia courses provided, trained professors and their certification, make the student decide to choose the right institution.
