5. Age limit of the students shall be minimum 17 years and maximum upto 25 years

3. A bonafide student may not be considered to be eligible to participate in National/International University Games if he/she does not pass/qualify a particular class within the period of two years, both at Graduate and Post Graduate Courses/Degrees. However, duration/length of both the courses will remain unchanged such as not more than five years after passing 10+2 examination or equivalent examination in Under Graduate Courses. 3. It shall be obligatory for those players, who are selected to represent Indian Universities Team(s) in National/ International University Games. If they represent some other organization/state without permission of AIU, and their respective university/college, they shall be debarred from participation in National University Games for the period of three years and disciplinary proceedings shall be initiated in accordance with existing rules.
4. It shall be mandatory for those to participate in Inter University Tournaments, students who joined Private or Public Sector(s) on nominal stipend basis only, for getting financial assistance to support/ continue their study in universities/colleges, provided their admission is based on sports quota earmarked for encouraging sports excellence in university sector.
5. In the case of involvement of students in incidents of violence during National/Zonal University Games, the host University authorities shall have the power to scratch their team and recommend to the concerned Universities to cancel the admission of such defaulting sportsperson(s), if found guilty after following due process of independent enquiry, in this regard.
6. Those sports persons who are found/tested positive on the basis of samples conducted and analyzed by NADA, confirming the use of banned drugs (doping) for enhancing their athletic performance, shall be debarred from participation in National/International University Games for the period as specified in the report of
