## About TNDALU

Government of Tamil Nadu by an Act of State Legislature (Act No. 43 of 1997) established The Tamil Nadu Dr. Ambedkar Law University for the advancement and dissemination of knowledge in learning, teaching and research in the field of law. His Excellency Shri. K.R. Narayanan, former President of India inaugurated it on September 20, 1997, and the University started from October 3, 1997 onwards. The University is recognized by the Bar Council of India (BCI) and University Grants Commission (UGC) (Sec. 2f and 12b of the UGC Act.). The University is also a member of the Association of Indian Universities (AIU), Association of Common Wealth Universities, U.K. and Indian Institute of Public Administration, New Delhi. This University is functioning as nodal agency to uplift the legal education in the State of Tamil Nadu. The University offers legal education at its campus as well as through sixteen affiliated colleges in the state of Tamil Nadu.

## About SOEL

The School of Excellence in Law established by the University at its campus since 2002 has been modeled on the lines of other National Law Schools in the country and offers three years as well as five year integrated undergraduate courses in Law. The University has a Postgraduate and Research Centre, which offers Master of Law Degree Courses in eleven different specializations, doctoral programme as well as organizing research in diverse areas of law. Apart from these, there is also a Distance Education Unit as well as a few evening college programmes for various postgraduate diploma courses.

## Objective of the Workshop

The Tamil Nadu Dr. Ambedkar Law University under the able guidance and futuristic thought process of the Hon'ble Vice-Chancellor Col. Prof. (Dr) N. S. Santosh Kumar introduced a new LL.M Degree Programme of Crime and Forensic Law Academic Year 2024-2025. This department was established in consonance with new development in the Criminal Laws, in particular Bharatiya Nagarik Suraksha Sanhita, 2023 (BNSS).

This workshop is primarily organised to expose the curriculum and strengthen the basic understanding on Forensic Sciences. This workshop aims to inculcate better understanding of inclusion of Forensic Sciences in the legal profession. Understanding the tools and techniques of Forensic Analysis needs practical approach rather than theoretical expressions. The emerging trends of new category crimes and its pattern necessitates advanced techniques to analyse the crime and assist the enforcing agencies.

The Workshop will focus on the following parameters;

- To provide comprehensive understanding of Forensic Science and its application in legal profession;
- To provide training on cutting-edge forensic science techniques;
- Equipping the participants with practical skills and knowledge to effectively analyse evidence in criminal investigations, ensuring accurate interpretation and application in real-world scenarios;
- Get to know about the application, admissibility, appreciation of Forensic analysis in the Court of Law

### **Target Audience:**

- Academicians
- Law students
- Criminology Course students
- Cyber Security related persons
- Legal Professionals
