### **ABOUT THE EVENT**

Organized by School of Excellence in Law, The Tamil Nadu Dr. Ambedkar Law University in Association with **Subbaraya Aiyar, Padmanabhan and Ramamani (S.A.P.R) Advocates**, this Taxation Moot addresses the common perception of taxation as a vast and highly intricate subject requiring specialized expertise. Many law graduates are seen to be reluctant in taking up taxation as their area of practice. Consequently, the practice of taxation is restricted to a limited

set of advocates though taxation laws are one of the most extensively applicable laws in India. In order to develop the next generation of taxation practitioners, it is imperative that law students are given a practical legal platform and this Taxation Moot by **School of Excellence in Law, Chennai** aims to provide the same.
